## INSIDER

Fall-Winter 2013

Issue 1

## A Message from the Chairperson and Administrator

### New Beginnings

When we think about the Fall and Winter seasons we think about change; leaves changing on the trees, children returning to school, new beginnings of the season, and a new year approaching. What a wonderful time to begin many new chapters within CRBC! We hope you enjoy the kick off of our quarterly newsletter the CRBC Insider; we hope you will find the information helpful.

Over the past several years CRBC has had many new beginnings as we have evolved as an agency to ensure that we remain relevant in child welfare oversight and being effective advocates for the children and families we serve.

We are very optimistic with where CRBC is going and our recent new beginnings from our office location move, to the appointment of our new State Board member Sheila Jessup, new Assistant Administrator George Randall and, soon to be new Staff Assistant. We anticipate new growth in CRBC with the addition of many new volunteers and with your help the continued recruitment of volunteers.

In this addition of the CRBC insider, you will find information on recruitment efforts and a feature on a volunteer(s) and staff person of the quarter which you will see in each newsletter. You will also find information on upcoming events such as our Holiday Open House on December 13th 12-2pm that we hope you all will be able to attend.

As we approach the beginning of a new season and year very soon, we hope you all know just how much we value you and your dedicated contribution to the children of this State and CRBC.

## CRBC Staff Person of the Quarter Denise Wheeler

Denise Wheeler, Unit Supervisor is the recent CRBC “Star Award” recipient. The CRBC Star Award is given quarterly to acknowledge outstanding professional performance. Denise has consistently performed her essential job functions and multiple other assigned duties at a level that is clearly a benchmark for her peers and colleagues. The CRBC Star Award is a staff-centered and staff-nominated honor. Denise has humbly accepted this quarter’s CRBC Star Award; however as an example of her selflessness and dedication to serve, she would have clearly preferred to give the award to one of her staff. However, the CRBC staff fully supports Denise’s selection and ultimate obtainment of this much deserved honor
